Black, White, Silver.

HD3010

NAVARRO PROCESSOR

MADE IN ITALY

The Navarro Processor provides a choice between preset automatic programs and manual setting of temperature, sitting time and fan time to enable the hairdresser to enjoy maximum freedom of expression. Automatic streams of warm air constantly drive heat toward the inside of the unit, which prevents the loss of thermal energy and enables dyeing, perms, drying and any type of treatment to be performed with shorter sitting times. Low energy consumption.

Options:
Available as a wall mounted model.

Colours:
Black.

HD3009

SFERA QUARTZ LAMP
